ton.

The steamer Pacific sailed from Galway on Saturday evening, the 5th inst. The steamer New York, hence for Bremen, arrived at Southampton on the 3d inst. The ship David Stewart, chartered at Cadis to bring the Neapolitan calles to this country, was spoken by the steamer Weser, on the 6th inst., going into Onesnetown.

The tener of the intelligence by the Weser is more warlike, and there appears to be less confidence in Lord Cowley's mission to Vienna.

The Paris and Vienna Journals, and even the letters to the London journals, are quite

The parliamentary proceedings have been important. Mr. Fitzgerald had stated that the Hanoverian Government had been notified of the termination of the Stadt dues next August. Rumors prevail of the projected union of the liberal force in Parliament, under Lords Pal-

merston and Russell, in opposition to the Gov-ernment Reform Bill. Lord Henry Lennox has resigned his post as one of the Lords of the Treasury. There are

also reports of other pending secessions from the Derby Ministry.

The Paris Constitutionnel announces the withdrawal of the French troops from Rome : but the Moniteur pronounces the statement There are flying rumors of a visit to Paris

It is reported that Austria has made counterproposals to Lord Cowley, and that Austria is supported in the same by Prussia.

Lord Cowley continued at Vienna, but was to leave on the 6th inst.

The French Government organs are becom-ing more belligorent, but the warlike propara-tions at Marseilles are slightly relaxed. The Paris Bourse continues in a very sensi-tive and fluctuating condition. The 3 per cent. rentes, on the 3d inst., quoted at 67f. 45c.

The Emperor of Austria is said to have be-come determinedly warlike, and much embit-

tered against France.
The Vienna journals are also warlike. The military preparations in Italy are continued.

The advices contained in the Bombay mail of Peb. 9, have reached London by telegraph from Marseilles. The rebellion in the Prvince

of Oude is formally declared to be ended.

The British troops have entered Nepaul, and have commenced measures to reduce the fugitive rebels to submission. There also advices four days later from China, but they furnish no news of importance.
